

# MEET OUR PHOTOGRAPHY COMPETITION JUDGES - 2020

Lori-Anne Gaydosh-Côté

A budding artist in the making, Lori-Anne Gaydosh-Côté just might be the freshest face in the field of Photography. This native Edmontonian graduated from NAIT's Photographic Technology Program. Lori-Anne has a discriminating preference for flowers as her subject matter and she strives to capture that beauty in print. We're proud to be among her first assignments and look forward to seeing her own works in the future.

Barry Ryziuk

Barry Ryziuk has had a camera in his hands most of his adult life. He enjoys all aspects of photography including post-editing and printing. Judging for "Take your Best Shot", a youth digital photo contest at Heritage Museum St. Albert, providing travel photography talks at St. Albert Library, and serving as President of St. Albert Photography Club are a few of the additional things he has done over the last several years.

Tamara Dorn

As the webmaster for the St. Albert Photography Club, Tamara Dorn has enjoyed seeing the growth of club members over the years as they refine their technical and aesthetic abilities. After growing up in a household of artists and engineers, Tamara found photography appealed to her as an ideally-balanced challenge. To truly capture the appeal of orchids, with all their diversity of colour, pattern and form, is elusive and inspiring.
